MOC 2010
Sponsorship and Advertisement Opportunity

Meet of champions draws swimmers from all over the greater Sacramento area. Advertising in our meet program or becoming a sponsor for this event is a great opportunity to spread your message.

Please contact Trevor Sanders (trevor@sandersunltd.com) directly if you would like to become a sponsor of this meet. If you would like to place an ad in the program then follow the below instructions:

Please attach your camera-ready advertisement to this form with a check made payable to NorCal Swimshop. Ads are due by July 26th.

Drop off or mail in: Norcal Swimshop
120 Sunrise Ave.
Roseville, CA 95678

Please remember that the Championship Program is printed in black and white when you design your ad. Photos submitted reproduce better if those are in black and white (but color photos are acceptable). Another thing to remember about photos is to be careful of shadows, and it is best if the person is not wearing a hat or standing in shade, because the image will be too dark when photocopied. Finally, please remember that art and photos will be cut and pasted to make masters for the program, and will NOT be returned.
