

## **Volunteer & Declarations Agreement**

I have read and understand the volunteer requirements, including the **necessity for a parent/guardian of every swimmer to volunteer at all swim meets** and Championships if your swimmer is attending.

I also understand that my swimmer must be declared for each posted meet prior to the deadline through the Team Unify online program and I am solely responsible to do so. I fully understand that if my swimmer is not declared by established deadlines that my swimmer will not be able to swim in the meet.

(Just sign up in time, do not wait until deadlines are up).
